Restaurant KHALA

KHALA

Youth, experience and taste are three words which describe this restaurant in the heart of the 'Golden Mile'.

Our Cuisine

The young chef Vanessa Merino, trained at the Ferrán Adrià School, presents unique modern dishes, with the help of her team, which have become the talk of the town. Located in a secluded enclave, the fusion of quality, modernity and avant-garde decoration has begun to arouse gastronomic interest. The cuisine can be defined as fresh market produce with heavy Catalan and Andalusian influences. The restaurant also offers an extensive dessert and cheese menu.

The restaurant will delight wine lovers with a large range of wines at reasonable prices.
