Restaurant NH ALCALÁ

NH ALCALÁ

At the hands of the chef Antonio López Cubiles, who has extensive experience in this sector, you are sure to enjoy exotic dishes and delicious flavours with a slight avant-garde influence.

Our Cuisine

There is a great emphasis on the quality of the chef's fish and meat dishes, that along with the special attention paid in the preparation, make this the ideal place for all types of celebrations whether they're for business reasons or social reasons. There is a wide variety of starter courses on the menu, one of which that stands out being the vegetable stew, or carpaccio de atún (a type of meat). There are also salads with lettuce, nuts and parmesan cheese available on the menu. The recommended dishes include baby squid with a light sprinkling of ali-oli and a loin of baked sea bass. Everyday, our chef recommends dishes in which you can taste the best of traditional food. In our bar, you can taste a wide variety of tapas, served using the highest quality ingredients.
