## Restaurant Kukuarri

### Kukuarri

Modern cuisine complete with flavorful ingredients, planned to the smallest detail.

### Our Cuisine

The superior know-how of the restaurant and kitchen teams makes this a large and functional room, a comfortable dining room, where traditional dishes are transformed into original and Avant-Garde treats for our palate.

Exceptional primary materials treated with special care are blended together to create elegant, delicious dishes. From an old fashioned traditional dish such as potato with baby squid or grilled seasonal vegetables, to more sophisticated dishes such as Monkfish with cuttlefish strips and Perdiz vinaigrette or the "Carrillada Ibérica" with Port sauce and melon purée.

Although the selection of wines is limited, all those offered are of the highest regional renown, not to mention the Reserve wines of the Rioja region.
