Our Cuisine

In the middle of the commercial and social center of Ciudad Real, next to the main institutional buildings of the province and the city, the hotel is home to an accredited restaurant where one can enjoy the best cuisine in a warm and inviting atmosphere. The restaurant's cuisine is renowned in the area with its changing seasonal menu where traditional La Mancha dishes are combined with unique creations from our chef, always inspired by easily recognizable tastes and aromas from the land and never forgetting the best selection of the most representative products of the region. Examples of traditional "manchego" cuisine can be seen in the "asadillo," the fried breadcrumbs, and the wild game dishes. Dishes with a more modern touch can be found in the fish and saffron soup or the stewed eggplant and lamb "virutas." For dessert try the fruit gazpacho with ice-cream and "sobao." The wine list, as one would expect, contains a large number of selections from La Mancha. The hotel's cafeteria, where one can sample "tapas" or combo dishes has become a commercial as well as social meeting point in the day to day life of the city. From Monday to Friday a menu with several dishes of your choice is offered at the fixed price of 17€. Open every day.
