Our Cuisine

In just one year, the Pinea restaurant has become one of the best culinary offerings in Baix Llobregat.

The restaurant is located on the first floor, with the cafeteria with astounding views of the gardens and pool. The large windows, which open straight out onto the gardens bring in warmth and light to the whole room. For smokers we have a small smoking room for yourself and your fellow diners to enjoy a coffee. Also, if the weather permits, you can enjoy a smoke outside, with more than 800 m2 of gardens.

In the restaurant you can enjoy the market cooking with a clear mediterranean influence.
