Meetings & Events

In the NH Deusto Hotel you will find the perfect setting for business meetings, conventions, conferences or social affairs such as banquets or parties. The facilities can accommodate from 12 to 76 persons, catering to each particular event. The three conference halls available in the hotel have all the services and equipment necessary to make your event a success (audio-visual systems, overhead projectors, TV, video, projector, telephone, direct and codified faxes, etc.). If your event so requires, we can arrange for external professional services such as hosts, secretaries, interpreters or entertainment.
