Restaurant Zarcillo

Zarcillo

In our Zarcillo Restaurant, you can enjoy the best of haute cuisine and chef specialities. The best in seasonal products which are exceptionally well prepared. On our wine list you will find one of the best Riojan wine selections.

Our Cuisine

Wonderful ingredients, great skill in the preparation, and the environment of this restaurant are the basic qualities that define this as a fantastic restaurant.

An enchanting local in which, aside from roasting meats (steaks, sirloins) and fish (sole, turbot, monkfish, etc.) in front of our clients, a deeply regional cuisine is prepared.

The stuffed "piquillo" peppers, scrambled egg "boletus" with fried "lecherillas" or seasonal vegetables are amongst some of the starters we offer.

The homemade desserts are a magnificent testimony of all that we have to offer: rice pudding and walnut ice-cream, caramelized brioche with coffee ice-cream or seasonal fruits with mango and passion fruit juice and tangerine sorbet.

Ample selection of Rioja wines.
