## Meetings & Events

Four conference rooms of a total of 255 m2 of space are available. They can accommodate 2- 120 people depending on how the rooms are arranged. Thanks to its location, our conference area is ideal for conferences, meetings, seminars and exhibitions. Our rooms are named after famous composers. Basic room equipment includes an overhead, screen, flipchart, moderator's case, and three bulletin boards. We will be pleased to make your meetings even better with a variety of coffee breaks with snacks or pastry or treat you to our lunch buffet or three-course menu.
