In a privileged location next to the 'Plaza del Concilio de Trento', in the heart of Salamanca's monumental and historic district, the NH Palacio de Castellanos is an exceptional hotel with excellent services and installations. This hotel occupies the grounds where the original old palace, dating from the end of the XV century and beginning of the XVI century stood. The interior courtyard is the only remaining part of the original construction which has been restored. It is a paradigm of Spanish-Flemish art.

Restaurant Trento

Trento

Today this restaurant is one of the most renowned restaurants of Salamanca.

Our Cuisine

In this informal and inviting locale, an international cuisine is prepared with regional specialties. From the typical Iberian sausage to a candied mushroom carpaccio with truffles and red peppers, to a fresh foie with apple marmalade and tangerine with balsamic acetate caramel. We offer a wide range of starters.

For the main course, we offer such tempting dishes as rolled monkfish, garlic puree with cuttlefish noodles, sirloin steak, smoked meat, lentil coulis, or spinach "tempura."

And to finish off the meal at Trento, an assortment of the most exquisite house desserts: white chocolate flan, yogurt cream with lemon, or tiramisu. The wine list includes a great selection of wines from different regions.

In summertime, right in front of the 'Dominican Convent' and the 'Plaza del Concilio de Trento', you can have dinner or an aperitif on the magnificent outdoor terrace.
