## Restaurant Añil

### Añil

The premises of classic style, with great large windows and great lighting, where the prize-winning kitchen capable of any invention, never disappoints.

### Our Cuisine

The premises of classic style, with great large windows and great lighting, where the prize-winning kitchen capable of any invention, never disappoints.

International dishes, elaborated with excellent raw materials, in which almost always, there appears some creative element that modernizes them. Among them there is the tuna pickled salad or quail with apple vinaigrette, both with a perfect and balanced range of flavours. After some of these starters, the gastronomical suggestions go from basic plates and eggs, to meats and fishes created in an exceptional way.

In the menu, we also emphasize the soups and cold soups like sevilian gazpacho with its trimming or the cold melon soup with ham. Interesting homemade desserts, such as meringue with vanilla ice cream or homemade flan.

Opening Hours: from 13,30 to 16 hours and from 20,00 to 23,00 hours.
