Our Cuisine

Art and creativity come together in this restaurant to offer a cuisine rich in flavours and special nuances.

In an inviting atmosphere, decorated unpretentiously with dashes of colour coming from the paintings by Carmen Farolera and Fernando Alday, an innovative cuisine based on traditional flavours from the best Basque cuisine is developed.

Within the spring menu, we feature as a starter the delicious cod Zurrurutuna with almond. Among the fish dishes, our turbot with wheat menestra (a kind of stew), mushrooms, and bird stock or the roast cod with stewed manitas(pork) and carrot pil-pil stand out. Meat dishes are also an important part of the cuisine, serving as an example is the tasty beef tail pie. The nut and garlic bud cream or the foie with prune puree and pineapple juice also are highly recommended.

For dessert, we offer an apple roll filled with banana mousse and tiramisu ice cream. We also offer a sampling menu with 7 dishes for 50 €.

Hours of operation from 13:30-15:45 and 21:00-23:30.
