Our Cuisine

Functional and cosy atmosphere that offers the chance to taste from a menu of various dishes within an international kitchen. Also, our excellent Chef, will be able to make a variety of meals from different menus. The extraordinary quality of products and its high technical capacity in the elaboration of the dish are appraised in all their specialties, from fish to red meats, without forgetting the vegetables. Good examples can be found in the section of all salads, without disregarding our monthly suggestions, such as roasted hake on a tomatoe puree, or foie-gras of duck, fried brik of pumpkin and mandarin. Finishing off with, amongst others, hot apple tart, chocolate pyramid of praline and pistachios. In the Bar, which is very informal, it's possible to have some snacks, either at the bar or at small tables. These are topped with maximum quality ingredients, both modern and traditional. Ample wine selection.
