

Christmas Special

To celebrate the holiday season,
we have created a dish that brings together
the finest seasonal flavors.

Our Christmas special is a delicacy
of duck breast served with an aromatic sauce,
glazed beetroot, blackberry gel and
a crispy croquette of confit duck leg.

To complete the experience, the menu also includes the
beloved traditional Danish Risalamande, a creamy rice
dessert with almonds, served with a rich cherry sauce.

Indulge in this extraordinary Christmas delight
that celebrates tradition with a modern touch.
