

A NEW YEAR'S EVE

behind the mask

nh
MÁLAGA

Dear guest,

We are approaching 2026, one of the most anticipated celebrations of the year: New Year's Eve.

Once again, at NH Málaga we are dressing up for the occasion to make it a truly memorable evening, hosting the city's most spectacular party. This time, we are moving to the elegant Venetian atmosphere of masks.

To mark the occasion, we have prepared a splendid menu and the best music for dancing non-stop after listening to the chimes and eating the Lucky Grapes.

We would be delighted to welcome you on 31st December if you decide to join us in welcoming a Prosperous 2026.

Andrés Castillo Álvarez
GENERAL DIRECTOR - NH MÁLAGA

The orchestra in charge of setting the mood for the evening will be “Los Lolipopers”, delighting us with a repertoire of classic and modern hits to keep everyone dancing all night long.

All of this will follow the incredible menu we invite you to discover below.
